

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
Japanese Maple tree	Acer Palmatum	NA	15-25 ft	pt sun to pt shade	regular
Japanese Maple tree	Acer Palmatum	NA	15-25 ft	pt sun to pt shade	regular
yarrow	Achillea ptarmica 'Double Diamond'	white/summer to fall	18-24"	sun	drought tolerant
yarrow	Achillea	red/summer	18-24"	sun	drought tolerant
yarrow	Achillea 'Summerberry'	berry/summer	18-24"	sun	drought tolerant
Sweet Flag var.	Acorus gramineus 'Ogon'	n/a	10"	sun	much moisture
Acuba	Acuba japonica variegata	NA	6-10ft	pt shade to shade	well-drained
Agave	Agave americana	NA	2 ft		
Bugleweed	Ajuga reptans	blue/spring	4"	pt sun to shade	regular
Bugleweed	Ajuga reptans 'Bronze Beauty'	blue/spring	3"	sun to shade	regular
Dwarf Bugleweed	Ajuga reptans 'Chocolate Chip'	blue/spring	3"	sun to shade	regular
Chocolate vine	Akebia quinata	purple-brown/mid-spring	6 ft	sun to partial shade	regular to moderate
Aloe	Aloe sp.	NA	up to 2 ft	bright light	regular to dry
Parrot lily	Alstroemeria psittacina	peach/summer	24-30"	pt shade	regular
Parrot lily	Alstroemeria psittacina	red + green with purple splotches/summer	24-30"	pt shade	regular
Arkansas Blue Star	Amsonia hubrichtii	pale blue/spring-summer	1-3'	sun to part shade	moist but well-drained
windflower or Japanese anemone	Anemone hupehensis 'Prince Heinrich'	double pink/ lt summer to fall	24-30"	pt sun to pt shade	regular
windflower or Japanese anemone	Anemone hupehensis var. japonica	white/summer to fall	24-30"	pt sun to pt shade	regular
windflower	Anemone quinquefolia	pink/summer to fall	24-30"	pt sun to pt shade	regular
Columbine	Aquilegia caerulea	pink/spring	2-4 ft	sun to part shade	regular, well-drained
Rocky Mountain Columbine	Aquilegia caerulea	blue and white/spring	2-4 ft	sun to part shade	regular, well-drained
Indian Hardy Fern	Arachniodes simplicior 'Variegata'	NA	18"	shade	moist
Marlberry	ardisia	white/summer	18"	pt shade to shade	regular
Jack-in-the-pulpit	Arisaema triphyllum	green to purple spathe	18-24"	shade	regular to moist
Sage	Artemisia	NA	18"	sun to pt shade	regular
Limelight Artemisia	Artemisia vulgaris 'Oriental limelight'	white/summer	2-3 ft	sun	moderate
Arum	Arum italicum	NA	12-16"	pt shade to shade	regular
Lady in Red Fern	Athyrium augustum forma rubellum	NA	24-30"	lt. to pt shade	normal; well-drained
Japanese Painted Fern	Athyrium niponicum 'Pictum'	NA	12-18"	lt. to pt shade	normal; well-drained

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
Japanese Painted Fern	Athyrium niponicum 'regal red'	NA	12-18"	lt. to pt shade	normal; well-drained
false blue indigo	Baptisia australis	blue/early summer	40"	sun to pt shade	normal
River Birch	Betula nigra 'Heritage'	pale yellow/mid-spring	30-40 ft	sun	normal
Weeping Butterfly Bush	Buddleia lindleyana	lavendar/summer	6'	sun	regular
Loricata Butterfly Bush or Mountain sagewood	Buddleia loricata	white/late summer to early fall	4-6'	sun	drought tolerant once established
Feather Reed Grass	calamagrostis x acutiflora 'Karl Foester'	fall sterile seed heads	3-4 ft	sun	regular
Chinese Beautyberry	Callicarpa dichotoma	pale lavender berries/fall	6'	sun/light shade	any
Beautyberry	Callicarpa dichotoma ex Issea	purple berries/fall	6'	sun/light shade	any
Beautyberry	Callicarpa dichotoma 'duet'	white berries/fall	6'	sun/light shade	any
Sweet Betsy Bush	Calycanthus floridus	brown/spring to early summer	6-8'	sun to pt shade	regular
Camellia japonica 'Lady van Sittart'	Camellia japonica 'Lady van Sittart'	deep rose or pink white variegated flower in early Spring	3-4'	part sun to part shade	regular
Camellia japonica 'Governor Mouton'	Camellia japonica 'Governor Mouton'	er and white variegated flower in spring	12-15ft	part sun to part shade	regular
tea oil camellia	Camellia oleifera	white/late winter	20'	pt sun to pt shade	regular
Bellflower	Campanula persicifolia 'Takion White'	white/early spring to summer	18"	part shade	regular
Bellflower	Campanula punctata	maroon/summer	18"	part sun	regular
Spotted Bellflower	Campanula punctata 'Elizabeth'	pink/summer	18"	part sun	regular
Canna Lily	Canna x generalis	Red to orange/ late spring to early fall	3-6'	Sun	regular to moist
Evergold Sedge	Carex oshimensis 'Evergold'	NA	18-24"	Sun	regular
False spirea	Caryopteris incana 'Jason'	blue/summer	1-3 ft	sun	regular
Mountain Bluet	Centaurea montana	blue/summer	18-24"	sun	regular to moist
Eastern redbud	Cercis canadensis	pink/early spring	25-35ft	sun to pt shade	regular
Rising Sun redbud	Cercis canadensis 'Rising Sun'	pink/early spring	25-35 ft	sun	regular
mum	Chrysanthemum	dk orange/fall	12"	sun	regular

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
Evergreen Clematis	Clematis armandii 'Snowdrift'	white/late spring to early summer	10-12' Vine	sun to part shade	regular
Clematis	Clematis 'Niobe	ruby red/late spring to early summer	10-12' Vine	sun to part shade	regular
Carolina Sweet Shrub	Clethra alnifolia	white/summer	5-7 ft	pt shade	moist
Lily of the Valley	Convallaria majalis	white/spring	6-8"	pt shade	regular
yellow corydalis	Corydalis lutea	yellow/lt spring to summer	6-12"	sun to pt shade	moderate after established
Jade plant	Crassula ovata	NA	3 ft	sun to pt sun	dry
Crinum lily	Crinum	pink/summer	2-3 ft	sun to pt shade	regular
	Crococsmia sp				
Japanese parsley	Cryptotaenia japonica 'Atropurpurea'	NA	8-10"	shade	regular
Rochford's holly fern	Crytomium falcatum 'Rochforianum'	NA	12-20"	Shade	ample to moist
Leyland cypress	Cupressocyparis leylandii	NA	60-80 ft	sun to pt shade	regular
Poet's Laurel	Danae racemosa	orange berries/fall	3-4'	part sun/shade	regular
Winter daphne	Daphne odora	white to pink/winter	6 ft	shade	dry
Larkspur	delphinium sp.	bue or white or pur/sprin to early summer	1-4 ft	sun	regular
Ice plant	delosperma cooperii	pink/summer	less than 6"	sun	drought tolerant
Bleeding Heart	Dicentra spectabilis	pink/summer	12-15"	sun to lt shade	regular
Teasel	Dispsacus fillonum	purple/summer	36"	sun	regular to dry
dwarf evergreen solomon's seal	disporopsis pernyi	white/spring	15"	pt sun to shade	regular
Autumn Fern	Dryopteris erthosora 'Brilliance'	NA	2'	shade	normal; tolerates dry
Coneflower	Echinacea 'White Swan'	white/summer to fall	24-36"	sun to pt sun	regular
Coneflower	Echinacea purpurea	pink-purple/summer to fall	24-36"	sun to pt sun	regular
Sea urchin cactus	Echinopsis sp				
Horsetail	Equisetum	NA	4'	sun to pt shade	marshy areas or pools
Mediterranean spurge	Euphorbia characias ssp. Wulfeni	yellow-green/late winter to spring	2-3 ft	sun	regular
Wood spurge	Euphorbia amygdaloides	yellow-green/late winter to spring	12-20"	pt sun to pt shade	regular
Cypress Spurge	Euphorbia cyparissias	chartreuse/mid-spring to early summer	12-18"	sun to pt shade	medium
Mrs. Robb's bonnet	Euphorbia robbiae	lime green/late winter	1'	part sun to shade	regular to little water
African milk tree	Euphorbia trigona	NA	6-8'	sun	dry

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
Spotted Leopard Plant	Farfugium japonicum 'aureamaculata'	yellow/summer	18"	sun to pt shade	moist
Forsythia	Forsythia intermedia	yellow/late winter-spring	6-8'	sun to pt shade	regular
Gardenia	Gardenia jasminoides	double white/summer	6'	pt sun	regular
Trailing Gardenia	Gardenia jasminoides 'radicans variegated'	white/summer	12-18"	pt sun to pt shade	regular
Carolina jessamine	Gelsemium sempervirens 'Pride of Augusta'	double yellow/late-winter to spring	15-20ft	sun or shade	best in rich, well-drained soil, but very tolerant
Carolina jessamine	Gelsemium sempervirens	yellow/late winter-spring	20' vine	sun or shade	best in rich, well-drained soil, but very tolerant
Winter daisy	Gerbera jamesonii	yellow or orange/summer to fall	2 ft	sun to pt shade	regular
Gladiola	Gladiolus	multicolor/summer	2-3 ft	sun	clump forming
English Ivy variegated	Hedera helix variegated	NA	Vine	shade	normal to moderate
Swamp sunflower	helianthus angustifolium	yellow/lt summer to fall	5-10 ft	sun	moist to regular
Bearsfoot Hellebore	Helleborus foetidus	light green/late winter to early spring	18"	shade	regular
Bears claw hellebore	Helleborus foetidus 'Pontarlier'	light green/late winter to early spring	18-24"	shade	regular
Bears' foot Hellebore	Helleborus foetidus 'Wester fisk'	light green/late winter to early spring	18"	shade	regular
Lenten Rose	Helleborus hybridus	white or mauve/late winter to early spring	10-12"	shade	regular
daylily	Hemerocallis 'Sherry Lane Carr'	gold/mid-summer	18-24"	sun to pt shade	regular
daylily	Hemerocallis 'Lime Frost'	pale green to white/summer	24-36"	sun to pt shade	regular
daylily	Hemerocallis 'Blueberry Sundae'	white w/purple centers	18-24"	sun to pt shade	regular
daylily	Hemerocallis 'Dot Paul'	peach/summer	24-36"	sun to pt shade	regular
daylily	Hemerocallis 'Imperial Decree'	maroon/summer	24-36"	sun to pt shade	regular
daylily	Hemerocallis 'Scarlet Royal'	dk red scarlet/summer	18-24"	sun to pt shade	regular
daylily	Hemerocallis double orange	red/summer	18-24"	sun to pt shade	regular
daylily	Hemerocallis red	double orange/summer	18-30"	sun to pt shade	regular
daylily	Hemerocallis 'Summer Ballet'	light pink/summer	18-24"	sun to pt shade	regular
daylily	Hemerocallis 'Kitten Richardson'	peach pink/summer	34-36"	sun to pt shade	regular
daylily	Hemerocallis 'Evening Gown'	pink blend/summer	28-30"	sun to pt shade	regular
daylily	Hemerocallis 'James Marsh'	red/summer	28"	sun to pt shade	regular
daylily	Hemerocallis 'Along the Way'	peach pink/summer	28"	sun to pt shade	regular
daylily	Hemerocallis 'James Babb'	pink cantaloupe/summer	36"	sun to pt shade	regular
daylily	Hemerocallis Papeete	pink coral/summer	24-36"	sun to pt shade	regular

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
daylily	Hemerocallis'Curly'	tangerine orange/summer	18-20"	sun to pt shade	regular
daylily	Hemerocallis'Seven Devils'	dark crimson/summer	30"	sun to pt shade	regular
daylily	Hemerocallis	salmon pink/summer	24-36"	sun to pt shade	regular
daylily	Hemerocallis 'Siloam Bye Lo'	rose mauve/summer	12-18"	sun to pt shade	regular
Coral Bells	Heuchera micrantha 'Palace Purple'	white/ early summer	24"	sun to pt shade	regular
Confederate Rose	Hibiscus mutabilis	white turning to red/summer	4-6 ft	sun	4-6" flowers
Rose of Sharon	Hibiscus syriacus 'Northwood too'	white/spring to fall	6-8 ft	sun	regular
Hosta	Hosta	almost white/summer	18-24"	shade	rich, moist
Hosta	Hosta 'Guacamole'	almost white-lavender tint/summer	30-40"	shade	rich, moist
Hosta	Hosta 'Stiletto'	lavendar/summer	10-18"	shade	rich, moist
Hosta	Hosta 'Blue Angel'	lavendar/summer	30-40"	shade	rich, moist
Hosta	Hosta 'Krossa Regal'	lavendar/summer	30-40"	shade	rich, moist
Hydrangea bush	Hydrangea macrophylla	blue/summer	6 ft	lt shade	regular
St. John's wort	Hypericum androsaemum 'Albury purple'	yellow/spring to summer	18-24"	sun to pt sun	regular
True Indigo	Indigo tinctoria	lavendar pink/ summer	3'	sun to part shade	regular
pink-flowered indigo	Indigophera amblyantha	pink/reblooming	4-6 ft	sun	regular
Spring star flower	Ipheion uniflorum	white or blue/spring	6"	sun/pt shade	regular, well-drained
sweet variegated iris	Iris pallida 'Aureo variegata'	lavendar-blue/early summer	22-24"	sun	regular
Yellow Flag Iris	Iris pseudacorus	yellow/mid summer	4-6'	sun to part shade	wet
Iris	Iris germanica	yellow/mid summer	2-3 ft	sun to pt shade	regular
Iris	Iris germanica	lt blue/summer	2-3 ft	sun to pt shade	regular
Iris	Iris germanica	white/summer	2-3 ft	sun to pt shade	regular
Iris	Iris germanica	maroon/mid summer	2-3 ft	sun to pt shade	regular
Dutch iris	Iris hollandica	yellow/summer	2-3 ft	sun to pt shade	regular
Japanese roof iris	Iris tectorum	white/April-May	24-30"	shade	regular
False Aster	Kalimeris pinnatifida 'Hortensis'	white/summer	24-30"	sun to pt shade	regular
Japanese Kerria	Kerria japonica	yellow/summer	6 ft	sun to lt shade	regular
Weeping Winter Jasmine	Jasminum nudiflorum	yellow/winter	3 ft	sun to pt shade	drought tolerant
Eastern Red Cedar	Juniperus virginiana	None	40 ft	sun to pt shade	regular
	Lamiastrum	yellow/spring	6-9"	shade	regular

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
summer snowflake	Leucojum aestivum	white/lt winter to early spring	12"	sun to lt shade	regular
Lily turf	Liriope	NA	12"	pt sun to shade	regular
Lily turf	Liriope 'Silver Dragon'	NA	12"	pt sun to shade	regular
cardinal flower	Lobelia speciosa 'Blue Fan'	deep blue/summer to fall	28"	sun	regular
cardinal flower	Lobelia splendens 'Queen Victoria'	scarlet/lt summer	30"	sun to pt shade	regular
coral honeysuckle	Lonicera sempervirens	coral peach/summer	15-25 ft	sun to pt shade	regular to moist
Fringe flower	Loropetalum chinensis	pink or white/spring to summer	8 ft	sun	regular
Money plant	Lunaria annua	purple/spring	18"	sun to part shade	regular to moderate
campion	Lychnis coronaria 'Angel Blush'	pink near white/summer	2-4 ft	sun to pt shade	drought tolerant
rose campion	Lychnis coronaria 'Rose campion'	rose/summer	18-30"	sun	drought tolerant
purple fringed loosestrife	Lysimachia ciliata 'atropurpurea'	yellow/summer	24-36"	sun	
gooseneck loosestrife	Lysimachia clethroides	white/summer	24-36"	sun to pt shade	moderate
Golden Creeping Jenny	Lysimachia nummularia 'Aurea'	yellow/summer	2"	sun/part shade	moist
Southern Magnolia	Magnolia grandiflora	white/spring	80 ft	pt sun to pt shade	regular
Oregon grape	Mahonia aquifolium	yellow/spring	up to 6'	sun to shade	regular
Zebrina hollyhock	Malva sylvestris 'Zebrina'	pink/spring to fall	24-36"	sun to pt shade	regular
Ostrich fern	Matteuccia struthiopteris	None	2-6'	pt shade to shade	regular
creeping shrimp plant	mazus reptans	lavender/spring	1"	sun to pt shade	regular to wet
Maiden grass	Miscanthus sinensis	gold inflorescens/fall	6-8ft	sun to pt sun	regular
bee balm	monarda sp	maroon/summer	30"	sun to pt sun	regular to moist
lavender bee balm	monarda fistulosa	purple/summer	3-4 ft	sun to pt sun	regular
bee balm	monarda didyma	red/summer	3 ft	sun to pt sun	regular to moist
Banana	Musa basjoo	yellow/summer	10-15 ft	sun	moist; do not let it dry out between waterings
Heavenly bamboo	Nandina domestica	white/spring to early summer	6'	sun to pt shade	normal
walking iris	Neomarica gracilis	white & purple/spring	18-24"	sun to shade	water plant
Catmint	Nepeta faassenii	lavender blue/lt spring	18"	pt sun to pt shade	regular
mexican evening primrose	Oenothera speciosa	pink/simmer	10-12'	sun	regular
sundrops primrose	Oenothera fruticosa	yellow/summer	12-18"	sun to pt shade	regular
Sensitive fern	Onoclea sensibilis	NA	12-18"	sun to pt shade	regular

COMMON NAME	BOTANICAL NAME	BLOOM COLOR AND SEASON	SIZE	LIGHT SUN/SHADE	WATER
Mondo grass	<i>ophiopogon japonicus</i>	NA	8-12"	partial shade to shade	moderate to regular
hardy prickly pear	<i>opuntia</i>	yellow/summer	24-36"	full sun	drought tolerant
osmanthus	<i>osmanthus 'Jim Porter'</i>	white/fall	6-8'	sun to pt shade	regular
cinnamon fern	<i>osmunda cinnamomea</i>	none	36-48"	pt shade to shade	moist
royal fern	<i>osmunda regalis</i>	none	4-6'	sun to pt shade	average
pachysandra	<i>pachysandra terminalis</i>	white/spring	6-12"	pt. shade to shade	regular
oriental poppy	<i>papaver orientale 'Allegra'</i>	scarlet/lt spring to early summer	16"	sun	regular
peony	<i>paeonia lactiflora 'Sarah Bernhardt'</i>	pink/lt spring to early summer	30-36"	sun to pt sun	regular to moist
peony	<i>paeonia lactiflora 'Shirley Temple'</i>	white/lt spring to early summer	30-36"	sun to pt sun	regular to moist
peony	<i>paeonia lactiflora 'Karl Lagerfeld'</i>	red/lt spring to early summer	30-36"	sun to pt sun	regular to moist
penstemon	<i>penstemon digitalis 'Husker's red'</i>	white/summer	24-36"	sun to pt sun	regular

Oriental trachystemo	<i>Trachystemon orientalis</i>	purple & white/early spring	24"	sun to pt sun	moist
purple heart	<i>tradescantia pallida</i>	pink/summer	12-18"	sun to pt shade	regular
spiderwort	<i>tradescantia</i>	blue/summer	12-18"	sun to pt shade	regular
spiderwort	<i>tradescantia</i>	blue/summer	24-30"	sun to pt shade	regular
Coltsfoot	<i>Tussilago farfara</i>	yellow/spring to early summer	10-12"	sun	regular
Verbena	<i>Verbena 'Homestead Purple'</i>	purple/spring to fall	12-18"	sun	regular
Viburnum	<i>Viburnum carlesii x burkwoodii</i>	white with pink tinges/spring	10 ft	sun to pt shade	regular
big leaf periwinkle	<i>Vinca major</i>	blue/ spring	12-18" pt shade to shade		regular
periwinkle	<i>Vinca minor</i>	lavendar blue/spring	6"	pt shade to shade	regular
periwinkle or creeping myrtle	<i>Vinca minor 'alba'</i>	white/spring	6"	pt shade to shade	regular
Chaste tree	<i>Vitex agnus-castus</i>	white/spring to fall	12-15 ft	sun to pt shade	regular; drought tolerant after established
Kentucky Wisteria	<i>wisteria macrostachys 'Aunt Dee'</i>	lavender/spring	25'	sun	regular

COMMENTS
suitable for containers; bloodgood seedling
suitable for containers
low maintenance
fern-like leaves; low maintenance
fern-like leaves; low maintenance
yellow leaves with green stripe. Use in pond or bog garden. Great in container or as a ground cover too in wet environment.
evergreen; grown for its foliage requires winter shade
houseplant
robust, fast grower; color deepens in winter
robust, fast grower; color deepens in winter
robust, fast grower; color deepens in winter
hanging fruits
used for medicinal purposes as topical analgesic
spreads readily
spreads readily
SE native; showy fall foliage
spreads easily adding bright pink to the fall garden
woodland plant spreads easily
woodland plant spreads easily
attracts hummingbirds; self sows
attracts hummingbirds; self sows
variegated silver foliage
deciduous groundcover in woodland areas
woodland native
grown for silver-grey fine-cut foliage providing contrast in the garden
Aggressive--plant in pots to contain; yellow and green cutleaf foliage
goes dormant in the summer; winter foliage attractive in the garden
red stems with lacy foliage on mature plants
deciduous, showy foliage

COMMENTS
deciduous, showy foliage
upright, shrubby form; native
deciduous; showy bark
Shiny green leaves, cinnamon trunks, and graceful 2 foot long panicles of lavender blooms
evergreen; attractive to bees and butterflies
vertical, clump forming growth habit
Large whorls of light purple berries make this shrub a magnificent addition to the garden.
Large whorls of magenta-purple berries make this shrub a magnificent addition to the garden.
Large whorls of white berries with variegated foliage make this shrub a magnificent addition to the garden.
fragrant flowers; fuzzy foliage
flower should be red with a white stripe but the cultivar color is unstable so the color may jump to pink or rose
evergreen spring-blooming camellia
evergreen tree; fragrant
Flowers are arranged in a cluster on the top of the stem. Lasts up to 2 weeks as a cut flower.
plants have light green foliage and arching stems carrying dozens of purplish-pink bells
plants have light green foliage and arching stems carrying dozens of purplish-pink bells
reblooms; spreads by rhizomes
evergreen sedge yellow bright green cream colored foliage
attracts butterflies;fragrant
cool season plant; good in cut flower arrangements
legume-like fruit in summer; flowers before leaves appear
purple leaves; orange in fall, year-round specimen tree;flowers before leaves appear
easy care; great fall color

COMMENTS
evergreen; fragrant; large leathery elliptical leaves
very large red blooms; reblooms; vine should be supported
fragrant native shrub
pretty woodland plant
pretty woodland or rock garden plant
houseplant
large strap leaves with large fragrant flowers
